**EXECUTIVE SUMMARY:** The Office of Economic Development, in collaboration with Public and Government Affairs (PGA), established a business spotlight video program in the Spring of 2025. The first series of videos features the ten recent Business Development Grant recipients. These Video Spotlights will be made public on the County website, incorporated into the County's video media, shared by the Commissioner's during business and other meetings and utilized by the business for their own professional marketing.

The Office of Economic Development and PGA have committed to delivering one video per month over the next 10 to 12 months beginning October 2, 2025. The first in the series is Overland Van Project.

Overland Van Project (OVP), located in Milwaukie, customizes conversion vans for outdoor recreation. OVP is a 2024 grant recipient who received \$75,000 to invest in workforce development by hiring 2 new employees: a welder & fab operator; to improve efficiencies, bringing contracted work in-house and reducing their production time and costs.
