- b. **Project Change Procedures.** Any proposed changes in the scope of the Project, the Project objectives, key Project personnel, Grant Period, or Budget must be requested in writing and pre-approved by Agency. Grantee shall not perform any Project changes without a Grant Adjustment Form, submitted in the form provided by ODOT, and signed by Agency and Grantee. 15. General Provisions

- a. **Contribution**
- i. If Grantee is a unit of local government as defined in ORS 190.003, then:
 - ii. If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against Agency or Grantee with respect to which the other Party may have

liability, the notified Party must promptly notify the other Party in writing of the Third Party Claim and deliver to the other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Each Party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by a Party of the notice and copies required in this paragraph and meaningful opportunity for the Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to that Party's liability with respect to the Third Party Claim.

- iii. With respect to a Third Party Claim for which Agency is jointly liable with Grantee (or would be if joined in the Third Party Claim), Agency shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Grantee in such proportion as is appropriate to reflect the relative fault of Agency on the one hand and of the Grantee on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of Agency on the one hand and of Grantee on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Agency's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if Agency had sole liability in the proceeding.
- iv. With respect to a Third Party Claim for which Grantee is jointly liable with Agency (or would be if joined in the Third Party Claim), Grantee shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Agency in such proportion as is appropriate to reflect the relative fault of Grantee on the one hand and of Agency on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of Grantee on the one hand and of Agency on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Grantee's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if it had sole liability in the proceeding.
- v. This Section 15.a.1. shall survive any expiration or termination of this Agreement.
- vi.

Indemnification.

- i. If Grantee is NOT a unit of local government as defined in ORS 190.003, then:
- ii. Grantee shall defend, save, hold harmless, and indemnify the State of

Oregon, the Oregon Transportation Commission, the Oregon Department of Transportation and their respective officers, members, agents and employees from an against all claims suits, actions, losses, damages liabilities, costs (including attorney's fees) and expenses of any nature whatsoever resulting from, arising out of, or relating to the intentional misconduct, or reckless or negligent acts or omissions of Grantee or its officers, employees, contractors, or agents under this Agreement.

State shall reasonably cooperate in good faith, at Grantee's reasonable expense, in the defense of a covered claim. Grantee shall select counsel reasonably acceptable to the Oregon Attorney General to defend such claim and all costs of such counsel shall be borne by Grantee. Counsel must accept appointment as a Special Assistant Attorney General under ORS Chapter 180 before such counsel may act in the name of, or represent the interests of, State, its officers, employees or agents. State may elect to assume its own defense with an attorney of its own choice and its own expense at any time State determines important governmental interests are at stake. State agrees to promptly provide Grantee with notice of any claim that may result in an indemnification obligation hereunder. Subject to the limitations noted above, Grantee may defend such claim with counsel of its own choosing provided that no settlement or compromise of any such claim shall occur without the consent of State, which consent shall not be unreasonably withheld, conditioned or delayed.

This Section 15.a.2. shall survive any expiration or termination of this Agreement.

Dispute Resolution The Parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.

Insurance. If Grantee is NOT a unit of local government as defined in ORS 190.003, then Grantee shall meet the insurance requirements within Exhibit G. **Amendments** This Agreement may be amended or extended only by a written instrument signed by both Parties and approved as required by applicable law. **Duplicate Payment** Grantee is not entitled to compensation or any other form of duplicate, overlapping or multiple payments for the same work performed under this Agreement from any agency of the State of Oregon or the United States of America or any other party, organization or individual. **No Third Party Beneficiaries** Agency and Grantee are the only Parties to this Agreement and are the only Parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly or indirectly, to a third person unless such a third person is individually identified by name herein and expressly described as an intended beneficiary of the terms of this Agreement. **Notices** Except as otherwise expressly provided in this Agreement, any communications between the Parties hereto or notices to be given hereunder shall be given in writing by personal delivery, facsimile, email or mailing the same, postage prepaid, to Grantee Project Director or Agency Contact at the address or number set forth below or to such other addresses or numbers as either Party may hereafter indicate pursuant to this Section. Any communication or notice personally delivered shall be deemed to be given when actually delivered. Any communication or notice delivered by facsimile shall be deemed to be given when receipt of the transmission is generated by the transmitting machine, and to be effective against Agency, such facsimile transmission must be

confirmed by telephone notice to Agency Contact. Any communication by email shall be deemed to be given when the recipient of the email acknowledges receipt of the email. Any communication or notice mailed shall be deemed to be given when received. Notices shall be directed to:

In no event shall this section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any Claim or from the jurisdiction of any court. *Each Party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.* **Compliance with Law** Grantee shall comply with all federal (including those set forth in Exhibit C), state, and local laws, regulations, and ordinances applicable to the Project including, but not limited to, the provisions of ORS 319.020 and OAR 738 Divisions 124 and 125 where applicable by this Agreement, incorporated herein by reference and made a part of this Agreement. **Independent Contractor** Grantee shall perform the Project as an independent contractor and not as an agent or employee of Agency. Grantee has no right or authority to incur or create any obligation for or legally bind Agency in any way. Grantee is responsible for determining the appropriate means and manner of performing the Project. Grantee acknowledges and agrees that Grantee is not an "officer", "employee", or "agent" of Agency, as those terms are used in ORS 30.265, and shall not make representations to third parties to the contrary. **Severability** If any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if this Agreement did not contain the particular term or provision held to be invalid. **Counterparts** This Agreement may be executed in several counterparts (facsimile or otherwise) all of which when taken together shall constitute one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart. Each copy of this Agreement so executed shall constitute an original. **Integration and Waiver** This Agreement, and the attached Exhibits, constitute the entire Agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. No waiver or consent under this Agreement shall bind either Party unless in writing and signed by both Parties and all

necessary approvals have been obtained. Such waiver or consent, if made, shall be effective only in the specific instance and for the specific purpose given. The failure of Agency to enforce any provision of this Agreement shall not constitute a waiver by Agency of that or any other provision.

The Grantee, by its signature below, acknowledges that it has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

Project Information

Project

Project Name: Clackamas County Plan Ahead Campaign

Project Description

The Clackamas County Plan Ahead Campaign will communicate educational messaging to prevent impaired driving with a clear focus on pre-planning trips before having a single drink. The primary messages will include:

- Pre-plan the trip home by scheduling a rideshare or cab pick-up
- Designate a sober driver before drinking
- Arrange for family or friends to stay the night after drinking
- Use public transportation

This PSA campaign is intended to change the behavior of at-risk audiences by reinforcing positive norms. The approach builds on the established positive culture framework, acknowledging that most people do not drive impaired by alcohol or other drugs.

This campaign will:

- Reinforce positive norms
- Promote positive traffic safety culture
- Provide clear calls to action to prevent impaired driving

Problem Statement

Problem Statement Impact

The percentage of fatal and serious crashes in Clackamas County for 2024 due to substance involved crashes with a BAC of .08 or higher was 35%. Research we conducted in 2024 reinforced the need to intervene prior to the first drink or use of cannabis. We hope to encourage Clackamas drivers to plan for a safe and sober ride home at the same time they are planning their evening with friends. From 2019-2023, there were six fatalities and three serious injuries in crashes in Clackamas County due to drug only driving. During that same time frame, there were 21 fatalities and 44 serious injuries involving Alcohol and/or Drugs. During that same period of time, there were 10 fatalities with both drugs and alcohol and 4 serious injuries.

Problem Statement Summary

Between 2018 and 2023, crash data indicates that fatalities and serious injuries from vehicle crashes have increased 214%, from 128 to 403 in Clackamas County. Of those 403 people killed or seriously injured in 2023, 20% of them were driving under the influence of an impairing substance. (FARS, 2023). Alcohol only related serious injuries in Clackamas County increased by 55% in 2024 from 2020. There was an increase of all substance related crashes in the county in 2024 of 18%. Oregon State Police recorded 290 impaired driving citations from July 1, 2024 to June 30, 2025. Clackamas County Sherriff's Office recorded 359 impaired driving citations from July 1, 2024 to June 30, 2025.

Clackamas County has 31 Licensed Cannabis Retailers and 385 Licensed Alcohol Retailers. (OLCC. <https://www.oregon.gov/olcc>).

Problem Statement Association

1. We present to Health 1 and Health 2 classes in Clackamas high schools on general safe driving with a focus on distracted driving, drug and alcohol use while driving, and brain development. Our goal is to reach every high school student prior to graduation at least once.
2. We work closely with OLCC and the Clackamas County Sherriff's Office (CCSO) on minor decoy operations throughout the county. Our objective is to reduce illegal serving of minors.
3. We bring a motivational speaker, Kevin Brooks, to high schools to present on the risks of alcohol and drugs while driving. Our objective is to reach every student before they graduate high school.

This new campaign will supplement these existing efforts and tie into additional campaign work to reduce distracted driving. This will include presenting at schools on the campaign and featuring targeted messages during summer festivals.

In addition, Grantee:

- Will take all measures necessary to ensure that no person in the United States shall, on the grounds of race, color, national origin, disability, sex, age, limited English proficiency, or membership in any other class protected by Federal Nondiscrimination Authorities, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any of its programs or activities, so long as any portion of the program is Federally-assisted.
- Will administer the program in a manner that reasonably ensures that any of its subrecipients, contractors, subcontractors, and consultants receiving Federal financial assistance under this program will comply with all requirements of the Non-Discrimination Authorities identified in this Assurance;

 - b.** Not to participate directly or indirectly in the discrimination prohibited by any Federal non-discrimination law or regulation, as set forth in Appendix B of 49 CFR part 21 and herein;

 - e.** To insert this clause, including paragraphs (a) through (e), in every subcontract and subagreement and in every

11. Buy America Act. All material and equipment purchased under this Agreement shall be produced in the United States in accordance with Section 165 of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424; 96 Stat. 2097) unless the Secretary of Transportation has determined under Section 165 that it is appropriate to waive this agreement. Grantee will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using Federal Funds. Buy America requires Grantee to purchase with Federal funds only steel, iron and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use Federal funds to purchase foreign produced items, Grantee must submit a waiver request that provides an adequate basis and justification for approval by the Secretary of Transportation.

12. Prohibition on Using Grant Funds to Check for Helmet Use. Grantee will not use Grant Funds for programs to check helmet usage or to create checkpoints that specifically target motorcyclists.

13. Certification Regarding Federal Lobbying.

Certification for Contracts, Grants, Loans, and Cooperative Agreements.

Grantee certifies by the signature of its authorized representative to this Agreement that, to the best of his or her knowledge and belief:

- a.** No Federal appropriated funds have been paid or will be paid, by or on behalf of Grantee, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
- b.** If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, Grantee shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions;

c. Grantee shall require that the language of this certification be included in the award documents for all sub-award at all tiers (including subcontracts, subgrants, and contracts under grant, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. If Grantee fails to file the required certification it shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

14. Restriction on State Lobbying. None of the Grant Funds will be used for any activity specifically designed to urge or influence a state or local legislator to favor or oppose the adoption of any specific legislative proposal pending before any State or local legislative body. Such activities include both direct and indirect (e.g., "grassroots") lobbying activities, with one exception. This does not preclude a State official whose salary is supported with NHTSA funds from engaging in direct communications with State or local legislative officials, in accordance with customary State practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.

15. Certification Regarding Debarment and Suspension.

1. Grantee certifies to the best of its knowledge and belief, that it and its principals:

a. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in covered transactions by any Federal department or agency;

b. Have not within a three-year period preceding this agreement been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of record, making false statements, or receiving stolen property;

c. Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or Local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and

d. Have not within a three-year period preceding this agreement had one or more public transactions (Federal, State, or local) terminated for cause or default.

2. If Grantee is unable to certify to any of the Statements in this certification, such prospective participant shall attach an explanation to this agreement.

Instructions for Lower Tier Certification

1. By signing and submitting this agreement, the Grantee is providing the certification set out below and agrees to comply with the requirements of 2 CFR Parts 180 and 1200.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension or debarment.

3. Grantee shall provide immediate written notice to the person to which this proposal is submitted if at any time Grantee learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms covered transaction, civil judgment, debarment, suspension, ineligible, participant, person, principal, and voluntarily excluded, as used in this clause, are defined in 2 CFR Part 180 and 1200. You may contact the person to whom this agreement is submitted for assistance in obtaining a copy of those regulations.

5. Grantee agrees by submitting this agreement that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR Part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. Grantee agrees by submitting this agreement that it will include the clause titled "Instructions for Lower Tier Certification" including the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions and will require lower tier participants to comply with 2 CFR Parts 180 and 1200.

7. Grantee may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR Part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. Grantee is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any prospective lower tier participant may, but is not required to, check the System for Award Management Exclusion website (<https://www.sam.gov/>)

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to

render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5, if Grantee knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR Part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, Grantee may pursue available remedies, including suspension or debarment.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion -- Lower Tier Covered Transactions:

1. Grantee certifies, by submission of this agreement, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in covered transactions by any Federal department or agency.

2. Where Grantee is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this agreement.

16. Certification on Conflict of Interest. No employee, officer or agent of Grantee who is authorized in an official capacity to negotiate, make, accept or approve, or to take part in negotiating, making, accepting or approving any subaward, including contracts or subcontracts, in connection with this Agreement shall have, directly or indirectly, any financial or personal interest in any such subaward. Such a financial or personal interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or personal interest in or a tangible personal benefit from an entity considered for a subaward. Based on this policy:

1. Grantee shall maintain a written code or standards of conduct that provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents.

a. The code or standards shall provide that Grantee's officers, employees, or agents may neither solicit nor accept gratuities, favors, or anything of monetary value

from present or potential sub awardees, including contractors or parties to subcontracts.

b. The code or standards shall establish penalties, sanctions or other disciplinary actions for violations, as permitted by State or local law or regulations.

2. Grantee shall maintain responsibility to enforce the requirements of the written code or standards of conduct.

Disclosure Requirements

Grantee, including its officers, employees or agents, shall not perform or continue to perform under a grant or cooperative agreement, whose objectivity may be impaired because of any related past, present, or currently planned interest, financial or otherwise, in organizations regulated by NHTSA or in organizations whose interests may be substantially affected by NHTSA activities. Based on this policy:

1. Grantee shall disclose any conflict of interest identified as soon as reasonably possible, making an immediate and full disclosure in writing to NHTSA. The disclosure shall include a description of the action which the recipient has taken or proposes to take to avoid or mitigate such conflict.

2. NHTSA will review the disclosure and may require additional relevant information from Grantee. If a conflict of interest is found to exist, NHTSA may (a) terminate the award, or (b) determine that it is otherwise in the best interest of NHTSA to continue the award and include appropriate provisions to mitigate or avoid such conflict.

3. Conflicts of interest that require disclosure include all past, present or currently planned organizational, financial, contractual or other interest(s) with an organization regulated by NHTSA or with an organization whose interests may be substantially affected by NHTSA activities, and which are related to this award. The interest(s) that require disclosure include those of any recipient, affiliate, proposed consultant, proposed subcontractor and key personnel of any of the above. Past interest shall be limited to within one year of the date of award. Key personnel shall include any person owning more than a 20 percent interest in a recipient, and the officers, employees or agents of a recipient who are responsible for making a decision or taking an action under an award where the decision or action can have an economic or other impact on the interests of a regulated or affected organization.
