

ClackGO Kit Checklist

(Based on Red Cross Survival Kit Supplies list)

Being prepared means being equipped with the proper supplies you may need in the event of an emergency or disaster. Keep your supplies in an easy-to-carry emergency preparedness kit that you can keep at home and take with you in case you must evacuate.

What do you need in your GO kit?

At a minimum, you should have the basic supplies listed below.

- ☐ Water: one gallon per person, per day (3-day supply recommended for evacuation)
- ☐ Food: non-perishable, easy-to-prepare items, and a can opener (3-day supply recommended for evacuation)
- ☐ Blankets or sleeping bags
- ☐ Frozen cold packs or water bags/bottle to keep food and medicine cold until you can get ice or refrigeration
- ☐ Flashlight or headlamp
- ☐ Battery-powered or hand-crank radio
- ☐ Battery-powered watch or clock
- ☐ Extra batteries for all supplies, including for medical equipment and oxygen tanks
- ☐ First aid kit
- ☐ Multi-purpose tool
