EXECUTIVE SUMMARY: The Housing and Community Development Division (HCDD) of the Health, Housing, and Human Services Department requests approval of a Grant Agreement with the State of Oregon acting by and through its Housing and Community Services Department for a Long-Term Rent Assistance (LTRA) Grant.

The Long-Term Rent Assistance ("LTRA") program was established in response to a significant rise in unsheltered homelessness in Oregon. This Grant aims to support communities to achieve statewide objectives, including preventing homelessness, increasing shelter capacity, and rehousing households experiencing unsheltered homelessness.

The primary goals of the LTRA program are to provide ongoing rent subsidies to eligible low-income households, ensuring long-term housing stability and preventing a return to homelessness. The program focuses on creating a sustainable support system that includes rental assistance and supportive services tailored to the needs of various homeless subpopulations. The LTRA program aims to address the root causes of homelessness, improve housing stability, and enhance the overall quality of life for vulnerable populations in Clackamas County and throughout Oregon.

RECOMMENDATION: Staff respectfully request that the Board of County Commissioners approve the Grant Agreement (12355) and authorize Chair Roberts or his designee to sign on behalf of Clackamas County.

Respectfully submitted,

Mary Rumbaugh

SECTION 3: EFFECTIVE DATE AND DURATION

When all Parties have executed this Grant, and all necessary approvals have been obtained (“Executed Date”), this Grant is effective and has a Grant funding start date as of July 1, 2025 (“Effective Date”), and, unless extended or terminated earlier in accordance with its terms, will expire on June 30, 2027.

4.2 Grantee’s Grant Administrator is:

vbrown@clackamas.us

4.3 A Party may designate a new Grant Administrator by written notice to the other Party.

SECTION 5: PROJECT ACTIVITIES

Grantee must perform the project activities set forth in Exhibit A (the “Project”), attached hereto and incorporated in this Grant by this reference, for the period beginning on the Effective Date and ending on the expiration date set forth in Section 3 (the “Performance Period”).

SECTION 6: GRANT FUNDS

In accordance with the terms and conditions of this Grant, Agency will provide Grantee up to \$7,063,510.20 (“Grant Funds”) for the Project. Agency will pay the Grant Funds from monies available through its House Bill 5011 (2025) other fund appropriation (“Funding Source”).

SECTION 7: DISBURSEMENT GENERALLY

7.1 Disbursement.

- 7.1.1 Subject to the availability of sufficient monies in and from the Funding Source based on Agency’s reasonable projections of monies accruing to the Funding Source, Agency will disburse Grant Funds to Grantee to reimburse Grantee for costs and expenses actually incurred for the allowable Project activities described in Exhibit A that are undertaken during the Performance Period.
 - 7.1.2 Grantee must provide to Agency any information or detail regarding the expenditure of Grant Funds required under Exhibit A prior to disbursement or as Agency may request.
 - 7.1.3 Agency will only disburse Grant Funds for completed and approved Project activities. If Agency determines that Grantee is responsible for deficiencies in completed Project activities, Agency will prepare and deliver to Grantee a written description of the deficiencies within 15 days of Agency’s receipt of a request for disbursement from Grantee. Grantee must correct any identified deficiencies at no additional cost to Agency within 15 days of receiving notice of such deficiency. Grantee may resubmit a request for disbursement that includes evidence satisfactory to Agency showing that the deficiencies were corrected.
- 7.2 Conditions Precedent to Disbursement.** In addition to the conditions set forth in Section 7.1, Agency’s obligation to disburse Grant Funds to Grantee under this Grant is subject to satisfaction of each of the following conditions precedent:
- 7.2.1 Agency has received sufficient funding, appropriations, expenditure limitation, allotments, or other necessary expenditure authorizations to allow Agency, in the exercise of its reasonable administrative discretion, to make the disbursement from the Funding Source;
 - 7.2.2 No default as described in Section 14 has occurred;
 - 7.2.3 There are no unresolved deficiencies in Project activities as described in Section 7.1.3; and
 - 7.2.4 Grantee’s representations and warranties set forth in Section 8 are true and correct on the date(s) of

disbursement with the same effect as though made on the date(s) of disbursement.

7.3 No Duplicate Payment. Grantee may use other funds in addition to the Grant Funds to complete the Project; provided, however, Grantee may not credit or pay any Grant Funds for Project costs that are paid for with other funds and would result in duplicate funding.

7.4 Suspension of Funding. Agency may, by written notice to Grantee, temporarily cease funding and require Grantee to stop all, or any part, of the Project dependent upon Grant Funds, if Agency has or reasonably projects that it will have insufficient funds from the Funding Source to disburse the full amount of the Grant Funds. Upon receipt of the notice, Grantee must immediately cease all Project activities dependent on Grant Funds, or if that is impossible, must take all necessary steps to minimize the Project activities allocable to Grant Funds.

If Agency subsequently projects that it will have sufficient funds, Agency will notify Grantee that it may resume activities. If sufficient funds do not become available, Grantee and Agency will work together in good faith to amend this Grant to revise the amount of Grant Funds and Project activities to reflect the available funds. If sufficient funding does not become available and the Parties do not reach agreement on an amendment, Agency, in its sole discretion, may either (i) cancel or modify its suspension of funding notice by a supplemental written notice or (ii) terminate this Grant as permitted by either Section 17.2.1 or 17.2.2 of this Grant.

SECTION 8: REPRESENTATIONS AND WARRANTIES

8.1 Organization/ Authority. Grantee represents and warrants to Agency that:

8.1.1 Grantee is an Oregon county duly organized and validly existing;

8.1.2 Grantee has all necessary rights, powers, and authority under any organizational documents and under Oregon Law to (i) execute this Grant, (ii) incur and perform its obligations under this Grant, and (iii) receive financing, including the Grant Funds, for the Project;

8.1.3 This Grant has been duly executed by Grantee and when executed by Agency, constitutes a legal, valid, and binding obligation of Grantee enforceable in accordance with its terms;

8.1.4 If applicable and necessary, the execution and delivery of this Grant by Grantee has been authorized by an ordinance, order, or resolution of its governing body, or voter approval, that was adopted in accordance with applicable law and requirements for filing public notices and holding public meetings; and

8.1.5 There is no proceeding pending or threatened against Grantee before any court or governmental authority that, if adversely determined, would materially adversely affect the Project or the ability or authority of Grantee to carry out the Project.

8.2 False Claims Act. Grantee acknowledges the Oregon False Claims Act, ORS 180.750 to 180.785, applies to any “claim” (as defined by ORS 180.750) made by (or caused by) Grantee that pertains to

this Grant or to the Project. Grantee certifies that no claim described in the previous sentence is or will be a “false claim” (as defined by ORS 180.750) or an act prohibited by ORS 180.755. Grantee further acknowledges that, in addition to the remedies under Section 15, if Grantee makes (or causes to be made) a false claim or performs (or causes to be performed) an act prohibited under the Oregon False Claims Act, the Oregon Attorney General may enforce the liabilities and penalties provided by the Oregon False Claims Act against Grantee.

- 8.3 No limitation.** The representations and warranties set forth in this section are in addition to, and not in lieu of, any other representations or warranties provided by Grantee.

SECTION 9: RESERVED

SECTION 10: CONFIDENTIAL INFORMATION

- 10.1 Confidential Information Definition.** Grantee acknowledges it and its employees or agents may, in the course of performing its responsibilities, be exposed to or acquire information that: (i) is confidential to Agency or Project participants or (ii) the disclosure of which is restricted under federal or state law, including without limitation: (a) personal information, as that term is used in ORS 646A.602(12) (“Personal Information”), and (b) social security numbers (items (i) and (ii) separately and collectively “Confidential Information”).
- 10.2 Nondisclosure.** Grantee agrees to hold Confidential Information as required by any applicable law and in all cases in strict confidence, using at least the same degree of care Grantee uses in maintaining the confidentiality of its own confidential information. Grantee may not copy, reproduce, sell, assign, license, market, transfer, or otherwise dispose of, give, or disclose Confidential Information to third parties, or use Confidential Information except as is allowed by law and for the Project activities. Grantee must advise each of its employees and agents of these restrictions. Grantee must assist Agency in identifying and preventing any unauthorized use or disclosure of Confidential Information. Grantee must advise Agency immediately if Grantee learns or has reason to believe any Confidential Information has been, or may be, used or disclosed in violation of the restrictions in this section. Grantee must, at its expense, cooperate with Agency in seeking injunctive or other equitable relief, in the name of Agency or Grantee, to stop or prevent any use or disclosure of Confidential Information. At Agency’s request, Grantee must return or destroy any Confidential Information. If Agency requests Grantee to destroy any Confidential Information, Grantee must provide Agency with written assurance indicating how, when, and what information was destroyed.
- 10.3 Identity Protection Law.** Grantee must have and maintain a formal written information security program that provides safeguards to protect Confidential Information from loss, theft, and disclosure to unauthorized persons, as required by the Oregon Consumer Information Protection Act, ORS 646A.600-646A.628. If Grantee or its agents discover or are notified of a potential or actual “Breach of Security,” as defined by ORS 646A.602(1)(a), or a failure to comply with the requirements of ORS 646A.600-628, (collectively, “Breach”) with respect to Confidential Information possessed or maintained in performance of this Grant, Grantee must promptly but in any event within 7 calendar

days (i) notify Agency’s Grant Administrator of such Breach, and (ii) if the applicable Confidential Information was in the possession of Grantee or its agents at the time of such Breach, Grantee must (a) investigate and remedy the technical causes and technical effects of the Breach and (b) provide Agency with a written root cause analysis of the Breach and the specific steps Grantee will take to prevent the recurrence of the Breach or to ensure the potential Breach will not occur. For the avoidance of doubt, if Agency determines notice is required of any such Breach to any individual(s) or entity(ies), Agency may direct Grantee to provide notice and shall have the right, but not the obligation, to specify the timing, content, and method of any such notice, subject to Grantee’s obligations under applicable law.

- 10.4 Subgrants/ Contracts.** Grantee must require any subgrantees, contractors, or subcontractors under this Grant who are exposed to or acquire Confidential Information to treat and maintain such information in the same manner as is required of Grantee under subsections 10.1 and 10.2 of this section.

SECTION 11: CONTRIBUTION

11.1 Third-Party Tort Claims.

- 11.1.1** If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 (“Third-Party Tort Claim”) against a Party to this Agreement (the “Notified Party”) with respect to which the other Party may have liability, the Notified Party must promptly notify the other Party in writing and deliver a copy of the claim, process, and all legal pleadings related to the Third-Party Tort Claim. Either Party is entitled to participate in the defense of a Third-Party Tort Claim, and to defend a Third-Party Tort Claim with counsel of its own choosing. The foregoing provisions are conditions precedent for either Party’s liability to the other in regard to the Third-Party Claim.
- 11.1.2** If the Parties are jointly liable (or would be if joined in the Third-Party Tort Claim), the Parties shall contribute to the amount of expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable in such proportion as is appropriate to reflect their respective relative fault. The relative fault of the Parties shall be determined by reference to, among other things, the Parties’ relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Each Party’s contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if that Party had sole liability in the proceeding. This section shall survive termination of this Grant.
- 11.1.3** Grantee shall take all reasonable steps to require its subgrantee(s) and contractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend (subject to ORS chapter 180), save and hold harmless the State of Oregon and its officers, employees and agents (“Indemnitee”) from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys’ fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Grantee’s

subgrantee or contractor, including a contractor's subcontractors, or any of the officers, agents, employees of the contractor ("Contractor Tort Claims"). It is the specific intention of the Parties that the Indemnitee shall, in all instances, except for Contractor Tort Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by subgrantee or contractor from and against any and all Contractor Tort Claims. This section shall survive termination of this Grant.

11.2 Indemnity; Release – Claims Other Than Torts.

- 11.2.1** Except for Third-Party Tort Claims and Contractor Tort Claims as provided above, to the extent authorized by law, Grantee shall defend, indemnify, save and hold harmless and release the State of Oregon, Agency, and their officers, employees and agents from and against any and all claims, demands, suits, actions, proceedings, losses, damages, liability and court awards including but not limited to costs, expenses, and reasonable attorneys' fees incurred (collectively, "Non-Tort Claims"), related to any actual or alleged act or omission by Grantee, or its officers, employees, contractors, or agents in connection with this Grant, and the Project, including without limitation, any expenses incurred or amounts paid in connection with an inquiry, investigation, audit or similar proceeding by the Internal Revenue Service, Treasury, and any other federal, state, governmental or quasi-governmental body with regulatory jurisdiction arising from the Project or the actions or omissions of Grantee, or its officers, employees, subgrantees, contractors, or agents.
- 11.2.2** Notwithstanding the foregoing, neither Grantee nor any attorney engaged by Grantee may defend any Non-Tort Claim in the name of the State of Oregon, nor purport to act as legal representative for the State of Oregon, without first receiving from the Oregon Attorney General in a form and manner determined appropriate by the Oregon Attorney General, authority to act as legal counsel for the State of Oregon, nor may Grantee settle any Non-Tort Claim on behalf of the State of Oregon without the approval of the Oregon Attorney General. If the State of Oregon assumes its own defense, Grantee will be liable for the attorney fees of the State of Oregon, including but not limited to any fees charged by the Oregon Department of Justice. The provisions of this section are not to be construed as a waiver by the State of Oregon, or Agency of any immunity, defense or limitation on damages provided for under Chapter 30 of the Oregon Revised Statutes or under the laws of the United States or other laws of the State of Oregon.

SECTION 12: INSURANCE

- 12.1 Grantee Insurance.** Subject to Section 12.2, Grantee must obtain and maintain insurance coverage in the types and amounts indicated in Exhibit B.
- 12.2 Public Body Insurance.** If Grantee is a "public body" as defined in ORS 30.260, Grantee agrees to insure any obligations that may arise for Grantee under this Grant, including any indemnity obligations, through (i) the purchase of insurance indicated in Exhibit B, (ii) the use of self-insurance or assessments paid under ORS 30.282 that is substantially similar to the types and amounts of insurance coverage indicated in Exhibit B, or (iii) a combination of any or all of the foregoing.

- 12.3 Real Property.** If the Project includes the construction, remodel, or repair of real property or improvements to real property, Grantee must insure the real property and improvements against liability and risk of direct physical loss, damage, or destruction at least to the extent that similar insurance is customarily carried by entities constructing, operating, and maintaining similar property or facilities.
- 12.4 First-Tier Subgrantee/ Contractor Insurance.** Grantee must require any subgrantees or any of its first-tier contractors to maintain insurance in the types and amounts that are commensurate with the type of work being performed by the subgrantees or the first-tier contractors of Grantee or its subgrantees, and that are consistent with applicable industry standards.

SECTION 13: GOVERNING LAW, JURISDICTION

This Grant is governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit, or proceeding (collectively “Claim”) between Agency or any other agency or department of the State of Oregon, or both, and Grantee that arises from or relates to this Grant must be brought and conducted solely and exclusively within the Circuit Court of Marion County for the State of Oregon; provided, however, if a Claim must be brought in a federal forum, then it will be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. In no event may this section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States, or otherwise, to or from any Claim or from the jurisdiction of any court. GRANTEE, BY EXECUTION OF THIS GRANT, HEREBY CONSENTS TO THE PERSONAL JURISDICTION OF SUCH COURTS.

SECTION 14: DEFAULT

- 14.1 Grantee.** Grantee will be in default under this Grant upon the occurrence of any of the following events:
- 14.1.1** Grantee fails to use the Grant Funds for the intended purpose described in Exhibit A or otherwise fails to perform, observe, or discharge any of its covenants, agreements, or obligations under this Grant;
 - 14.1.2** Any representation, warranty, or statement made by Grantee in this Grant or in any documents or reports relied upon by Agency to measure the Project, the expenditure of Grant Funds, or the performance by Grantee is untrue in any material respect; or
 - 14.1.3** A petition, proceeding, or case is filed by or against Grantee under any federal or state bankruptcy, insolvency, receivership, or other law relating to reorganization, liquidation, dissolution, winding-up, or adjustment of debts; in the case of a petition filed against Grantee, Grantee acquiesces to such petition or such petition is not dismissed within 20 calendar days after such filing, or such dismissal is not final or is subject to appeal; or Grantee becomes insolvent or admits its inability to pay its debts as they become due; or Grantee makes an assignment for the benefit of its creditors.

- 14.2 Agency.** Agency will be in default under this Grant if, after 15 days' written notice specifying the nature of the default, Agency fails to perform, observe, or discharge any of its covenants, agreements, or obligations under this Grant; provided, however, Agency will not be in default if Agency fails to disburse Grant Funds because there is insufficient expenditure authority or insufficient funding or because the conditions for disbursement set forth in Section 7 have not been met.

SECTION 15: REMEDIES

- 15.1 Agency Remedies.** In the event Grantee is in default under Section 14.1, Agency may, at its option, pursue any or all of the remedies available to it under this Grant and at law or in equity, including, but not limited to: (i) termination of this Grant under Section 17.2, (ii) reducing or withholding payment for deficient or late Project activities or materials, (iii) requiring Grantee to complete, at Grantee's expense, additional activities necessary to satisfy its obligations or meet performance standards under this Grant, (iv) initiation of an action or proceeding for damages, specific performance, or declaratory or injunctive relief, (v) exercise of its right to recovery of overpayments under Section 16 of this Grant or setoff, or both, or (vi) declaring Grantee ineligible for the receipt of future awards from Agency. These remedies are cumulative to the extent the remedies are not inconsistent, and Agency may pursue any remedy or remedies singly, collectively, successively, or in any order whatsoever. Agency's election not to pursue any available remedy under this Grant or applicable law will not constitute a waiver of default or of any other remedy.
- 15.2 Grantee Remedies.** In the event Agency is in default under Section 14.2 and whether or not Grantee elects to terminate this Grant, Grantee's sole monetary remedy will be, within any limits set forth in this Grant, reimbursement for Project activities completed and accepted by Agency and authorized expenses incurred, less any claims Agency has against Grantee. In no event will Agency be liable to Grantee for any expenses related to termination of this Grant or for anticipated profits.

SECTION 16: WITHHOLDING FUNDS, RECOVERY

Agency may withhold Grant Funds due to Grantee, and Grantee must return to Agency within 30 days of Agency's written demand:

- 16.1** Any Grant Funds paid to Grantee under this Grant, or payments made under any other agreement between Agency and Grantee, that exceed the amount to which Grantee is entitled;
- 16.2** Any Grant Funds received by Grantee that remain unexpended for payment of Project expenses at the end of the Performance Period;
- 16.3** Any Grant Funds Agency determines were spent on purposes other than allowable Project activities; or
- 16.4** Any Grant Funds Grantee received as payment for deficient activities or materials.

SECTION 17: TERMINATION

- 17.1 Mutual.** This Grant may be terminated at any time by mutual written consent of the Parties.
- 17.2 By Agency.** Agency may terminate this Grant as follows:
- 17.2.1** At Agency's discretion, upon 30 days' advance written notice to Grantee;
- 17.2.2** Immediately upon written notice to Grantee, if Agency fails to receive funding, or appropriations, limitations, or other expenditure authority at levels sufficient in Agency's reasonable administrative discretion, to perform its obligations under this Grant;
- 17.2.3** Immediately upon written notice to Grantee, if federal or state laws, rules, regulations, or guidelines are modified or interpreted in such a way that Agency's performance under this Grant is prohibited, or Agency is prohibited from funding the Grant from the Funding Source; or
- 17.2.4** Immediately upon written notice to Grantee, if Grantee is in default under this Grant.
- 17.3 By Grantee.**
- 17.3.1** Grantee may terminate this Grant immediately upon written notice to Agency if Agency is in default under this Grant and such default remains uncured 15 days after written notice thereof to Agency.
- 17.3.2** Grantee may terminate upon 30 calendar days' advance written notice to Agency, if Grantee fails to receive funding, appropriations, limitations, or other expenditure authority at levels sufficient to continue its current operations, Grantee's board downsizes or eliminates the division performing Grantee's obligations under this Grant resulting in the division's inability to continue to perform such obligation, and Grantee has repaid to Agency all Grant Funds previously disbursed by Agency under this Grant that have not been spent by Grantee in accordance with this Grant as of the date of termination.
- 17.4 Cease Activities.** Upon receiving a notice of termination of this Grant, Grantee must immediately cease all activities under this Grant, unless Agency expressly directs otherwise in such notice. Upon termination, Grantee must deliver to Agency all materials or other property that are or would be required to be provided to Agency under this Grant or that are needed to complete the Project activities that would have been performed by Grantee.

SECTION 18: MISCELLANEOUS

- 18.1 Conflict of Interest.** Grantee by signature to this Grant declares and certifies the award of this Grant and the Project activities to be funded by this Grant, create no potential or actual conflict of interest, as defined by ORS Chapter 244, for a director, officer, or employee of Grantee.
- 18.2 Nonappropriation.** Agency's obligation to pay any amounts and otherwise perform its duties under

this Grant is conditioned upon Agency receiving funding, appropriations, limitations, allotments, or other expenditure authority sufficient to allow Agency, in the exercise of its reasonable administrative discretion, to meet its obligations under this Grant. Nothing in this Grant shall be construed as permitting any violation of Article XI, Section 7 of the Oregon Constitution or any other law limiting the activities, liabilities, or monetary obligations of Agency.

- 18.3 Amendments.** The terms of this Grant may not be altered, modified, supplemented, or otherwise amended, except by written agreement of the Parties.
- 18.4 Notice.** Except as otherwise expressly provided in this Grant, any notices to be given under this Grant must be given in writing by email, personal delivery, or registered or certified mail, to a Party's Grant Administrator at the physical address or email address set forth in this Grant, or to such other addresses as either Party may indicate pursuant to this section. Any notice so addressed and mailed becomes effective five (5) days after mailing. Any notice given by personal delivery becomes effective when actually delivered. Any notice given by email becomes effective upon the sender's receipt of confirmation of delivery, either by return email or by demonstrating through other technological means that the email has been delivered to the recipient's email address.
- 18.5 Survival.** The provisions of this Grant which by their nature are intended to survive expiration or termination of this Grant (including, but not limited to, remedies and record-keeping) will survive.
- 18.6 Severability.** The Parties agree if any term or provision of this Grant is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected, and the rights and obligations of the Parties will be construed and enforced as if the Grant did not contain the particular term or provision held to be invalid.
- 18.7 Counterparts.** This Grant may be executed in several counterparts, all of which when taken together constitute one agreement, notwithstanding that all Parties are not signatories to the same counterpart. Each copy of the Grant so executed constitutes an original.
- 18.8 Compliance with Law.** In connection with their activities under this Grant, the Parties must comply with all applicable federal, state, and local laws.
- 18.9 Intended Beneficiaries.** Agency and Grantee are the only parties to this Grant and are the only parties entitled to enforce its terms. Nothing in this Grant provides, is intended to provide, or may be construed to provide any direct or indirect benefit or right to third persons unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of this Grant.
- 18.10 Assignment and Successors.** Grantee may not assign or transfer its interest in this Grant without the prior written consent of Agency and any attempt by Grantee to assign or transfer its interest in this Grant without such consent will be void and of no force or effect. Agency's consent to Grantee's assignment or transfer of its interest in this Grant will not relieve Grantee of any of its duties or obligations under this Grant. The provisions of this Grant will be binding upon and inure to the benefit of the Parties hereto, and their respective successors and permitted assigns.

- 18.11 Contracts and Subgrants.** Grantee may not, without Agency’s prior written consent, enter into any contracts or subgrants for any of the Project activities required of Grantee under this Grant.
- 18.11.1** Agency’s consent to any contract or subgrant will not relieve Grantee of any of its duties or obligations under this Grant.
- 18.11.2** If Agency consents to such a contract or subgrant, Grantee must take all reasonable steps to cause its contractor(s) and subgrantee(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save, and hold harmless the State of Oregon and its officers, employees, and agents (“Indemnitees”) from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys’ fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Grantee’s contractor(s), subgrantee(s), or any of the officers, agents, employees, or subcontractors of such contractor(s) or subgrantee(s) (“Claims”). Indemnitees must, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by such contractor(s) or subgrantee(s) from and against any and all Claims.
- 18.12 Time of the Essence.** Time is of the essence in Grantee’s performance of the Project activities under this Grant.
- 18.13 Records Maintenance and Access.** Grantee must maintain all financial records relating to this Grant in accordance with generally accepted accounting principles. In addition, Grantee must maintain any other records, whether in paper, electronic, or other form, pertinent to this Grant in such a manner as to clearly document Grantee’s performance. All financial records and other records, whether in paper, electronic, or other form, that are pertinent to this Grant, are collectively referred to as “Records.” Grantee acknowledges and agrees Agency, the Oregon Secretary of State's Office, the federal government, and their duly authorized representatives will have access to all Records to the extent permitted by law to perform examinations and audits and make excerpts and transcripts. Grantee must retain and keep accessible all Records for a minimum of six (6) years following the expiration or termination of this Grant, or such longer period as may be required by applicable law, or until the conclusion of any audit, controversy, or litigation arising out of or related to this Grant, whichever date is later.

The applicable federal regulations shall apply to all equipment purchased with Agency funding, regardless of source of funds. References in the federal regulations to a federal awarding entity shall be deemed a reference to Agency, and references to a non-federal entity shall be deemed a reference to Grantee.
- 18.15 Headings.** The headings in this Grant are for the purpose of reference only and do not limit or otherwise affect any of the terms hereof.

EXHIBIT A THE PROJECT

1. BACKGROUND AND GOALS

Agency's Long-Term Rent Assistance ("LTRA") program was established in response to a significant rise in unsheltered homelessness in Oregon. This Grant builds on the foundation of multiple prior Agency funding sources and agreements aimed at supporting communities to achieve statewide objectives, including preventing homelessness, increasing shelter capacity, and rehousing households experiencing unsheltered homelessness.

The primary goals of the LTRA program are to provide ongoing rent subsidies to eligible low-income households, ensuring long-term housing stability and preventing a return to homelessness. The program focuses on creating a sustainable support system that includes rental assistance and supportive services tailored to the needs of various homeless subpopulations. By partnering with local communities and leveraging State resources, the LTRA program aims to address the root causes of homelessness, improve housing stability, and enhance the overall quality of life for vulnerable populations in Oregon.

2. DEFINITIONS

"Community Plan" means the detailed plan Grantee submitted to Agency in 2024 for its 2023 – 2025 biennium LTRA program. It explains how Grantee will deliver the LTRA program in its region. Agency will provide Grantee an opportunity to update its Community Plan during the Performance Period.

"Continuum of Care" or "CoC" means a coordinated network of community-based programs and stakeholders that work together to prevent and end homelessness. The CoC ensures that services are client-centered, locally responsive, and aligned with broader state and federal goals to reduce homelessness.

"State" means the State of Oregon.

3. PROJECT ACTIVITIES

Grantee must use the Grant Funds for activities and expenses necessary to reduce homelessness and increase housing stability, in accordance with OAR 813-245, and as more particularly described in:

- Grantee's Community Plan, which is incorporated by this reference and which may be modified only with Agency's written approval; and
- Agency's Program Guidance
 - This guidance may be amended from time to time.
 - This guidance can be found online at <https://www.oregon.gov/ohcs/for-providers/pages/program-compliance-forms.aspx>.

Grantee's obligations also apply to any subgrantees, to the extent such obligations are applicable to the subgrantees' roles, responsibilities, or use of Grant Funds.

4. BUDGET

Agency will disburse Grant Funds only for the costs of Project activities that occur, including expenses incurred, during the Performance Period.

Activities	Amount
Rent Assistance	\$4,338,707.69
Community Capacity Building/ Planning and Capacity Building	\$0
Outreach	\$0
Services/ Support Services	\$1,972,224.00
Unit Access/ Landlord Partnership	\$8,700.00
Administrative costs (15% limit)	\$743,878.51
Total Grant Funds:	\$7,063,510.20

Budget Adjustments. Grantee may expend Grant Funds that differ from the amounts shown for each category or line item shown in the Project budget included in this Exhibit A (the “Budget”) with the prior written approval of Agency’s Grant Administrator, as long as the total amount expended for all Project activities paid for with Grant Funds does not exceed the amount identified in Section 6 of this Grant. Administrative costs must be charged as described in this Exhibit A, if applicable, regardless of any adjustments to the Budget. Any adjustments that result in an increase to the amount identified in Section 6 may not be made without an amendment to this Grant.

5. PROJECT MONITORING, REPORTING, AND PERFORMANCE MEASURES

a. Monitoring

- i. Agency may monitor Grantee’s activities, including Grantee’s policies and procedures for monitoring any subgrantees, to ensure Grantee and any subgrantees comply with the terms of this Grant and the use of the Grant Funds. Monitoring activities may include any action deemed necessary and appropriate by Agency, including but not limited to the following activities:
 - On-site or remote Records review;
 - Conducting audits;
 - On-site inspections;
 - Evaluating Grantee’s activities and progress; and
 - Providing training or technical assistance.
- ii. Agency may use third parties to assist with monitoring activities.
- iii. Agency may, from time to time, monitor the activities of any subgrantees. Notwithstanding any such review or monitoring by Agency, Grantee remains responsible for monitoring any subgrantees at least annually and ensuring subgrantee compliance with this Grant.

b. Reporting

Grantee must, and must cause and require its subgrantees by written agreement to, ensure that data collection and reporting, which may include Confidential Information or personally identifiable information, is conducted through Agency-approved systems, including HMIS or HMIS-comparable systems for victim service providers, and follows applicable policies and procedures of Agency. Grantee must also provide technical assistance to its subgrantees, and may request assistance from Agency as needed.

Timely and accurate data entry is critical to ensuring meaningful data analysis. Grantee and subgrantees must enter all data required under this Grant or Agency's Program Guidance within 72 hours after a service is provided.

The following reports and other documents must be submitted to Agency throughout the Performance Period, and for any additional period as required to include all reportable activities and information related to the Performance Period:

- i. Monthly Report:** Monthly disaggregated data using the HMIS System Query Report (or any subsequent replacement), must be submitted through Agency's SharePoint portal unless otherwise specified by Agency. Each report must be complete and satisfactory to Agency. The report is due 20 days after the end of each month. Data should be cumulative from the start of the Performance Period.

Example 1: If the Monthly System Query Report is run on April 20, 2026, the HMIS service range would be July 1, 2025 – March 31, 2026.

Example 2: If the Monthly System Query Report is run on February 20, 2027, the HMIS service range would be July 1, 2025 – January 31, 2027.

- ii. Quarterly Report:** Grantee must submit quarterly reports through Agency's SharePoint portal and using an Agency-provided template, unless otherwise specified by Agency. Each report must be complete and satisfactory to Agency. The report is due 20 days after the end of each calendar quarter, as follows:

- October 20 (for July – September)
- January 20 (for October – December)
- April 20 (for January – March)
- July 20 (for April – June)

- iii. Annual Reports:**

- A. Annual System Performance Measure ("SPM") Report:** Activities funded with this Grant must be included in the Annual SPM Report. This is a standard HMIS report available with all HMIS vendors. Reports are due upon Agency's requests, in addition to the Continuum of Care-wide Annual SPM Report, which will be after the SPM deadline in HUD HDX.

- B. Narrative Report:** A narrative report, including, but not limited to, subgrantee budgets, program services, performance, outcomes, successes, and challenges, must be submitted in a format and method required by Agency. Each report must be complete and satisfactory to Agency. The report is due no later than August 30 of each year during the Performance Period.

iv. Other Reports:

- A. Subgrantee Report.** Grantee must ensure all subgrantee data is reported to Agency. Subgrantee information, including name, Project name, HMIS project type, HMIS project ID, activities funded with Grant Funds, and other information as requested by Agency must be submitted within 10 business days of signing an agreement with a subgrantee. Grantee must also notify Agency within 10 business days of any changes in subgrantees. Subgrantee information must be transmitted in a format and method as directed by Agency.
- B. Ad Hoc Reports.** Grantee must provide additional reports and information, and attend Project meetings with Agency, as requested by Agency.

Grantee may request a reporting deadline extension by sending an email to Agency's Grant Administrator at least 7 days prior to the deadline. To be effective, extensions must be approved in writing by Agency's Grant Administrator.

If the Performance Period begins prior to the Executed Date, any reports for Project activities shown in this Exhibit A as due prior to the Executed Date must be provided to Agency no later than 30 days after the Executed Date, if not already provided to Agency despite the lack of an executed Grant. Grantee will not be in default for failure to perform any reporting requirements prior to the Executed Date.

- c. Performance Measures.** Grantee must implement the Project and use the Grant Funds to achieve the following performance goals:
 - i. Housing:** House 128 households during the Performance Period. A household is considered "housed" when it has executed a lease for a rental unit, and the landlord has an executed agreement with an LTRA provider.
 - ii. Housing Status at Exit:** Agency will establish a percentage of total LTRA program participants that must reside in permanent housing at the time of their exit from the LTRA program*.
 - iii. Housing Retention at 12 Months:** Agency will establish a percentage of households enrolled in the LTRA program that must successfully maintain their housing placement for 12 months*.

- * During Grantee's first full year of implementation, performance data will be collected to establish baseline benchmarks for measures ii and iii. Following establishment of the baseline, Grantee must demonstrate improvement over the baseline benchmarks in subsequent years or maintain performance if the baseline reflects a success rate of 75% or higher.

The intent of tracking goals is not to enforce rigid benchmarks, but to support accountability, celebrate successes, and identify areas where additional support may be helpful. If the Project appears to be off track or facing challenges in meeting its goals, Agency will offer technical assistance and work collaboratively with Grantee to identify solutions. This may include revisiting the Community Plan, adjusting timelines, or providing additional resources or guidance.

6. DISBURSEMENT PROVISIONS

Agency will disburse the Grant Funds using OPUS, on a cost incurred basis upon receipt of Grantee's Request(s) for Funds (RFF). Grantee must submit an RFF at least once every 60 days to expend the Grant Funds timely; monthly submission is preferred.

With each RFF, Grantee must submit supporting expenditure documentation satisfactory to Agency, including, but not limited to a general ledger excerpt or equivalent accounting documents that detail Grantee's expenditures. Supporting documentation must specifically note the amount of Grant Funds provided to each subgrantee direct service provider.

Agency may require additional information or clarification as it deems necessary or appropriate in its sole discretion. Grantee's final RFF must be received within 45 calendar days following expiration or termination of this Grant.

Grantee may request, or Agency may, on its own initiative, provide advance disbursement of Grant Funds. Such a request must minimize the time between the disbursement of Grant Funds and the expenditure of Grant Funds. Requests for advance disbursements must be limited to the minimum amount needed for Grantee's actual, immediate cash requirements to fulfill this Grant. Grantee's financial management systems must provide for fund control and accountability.

Approval of Grantee's request for advance disbursement will be at Agency's sole discretion. If Agency provides an advance disbursement of Grant Funds, Grantee must submit supporting expenditure documentation for the advanced Grant Funds. Before a request for an advance disbursement will be considered by Agency, Grantee must be current in its submittal of supporting expenditure documentation.

EXHIBIT B INSURANCE

Grantee shall obtain at Grantee's expense the insurance specified in this exhibit prior to performing under this Grant. Grantee shall maintain such insurance in full force and at its own expense throughout the duration of this Grant, as required by any extended reporting period or continuous claims made coverage requirements, and all warranty periods that apply. Grantee shall pay for all deductibles, self-insured retention, and self-insurance, if any.

If Grantee maintains broader coverage and/or higher limits than the minimums shown in this exhibit, Agency requires and shall be entitled to the broader coverage and/or higher limits maintained by Grantee.

WORKERS' COMPENSATION AND EMPLOYERS' LIABILITY:

All employers, including Grantee, that employ subject workers, as defined in ORS 656.027, shall comply with ORS 656.017, and provide Workers' Compensation Insurance coverage for those workers, unless they meet the requirement for an exemption under ORS 656.126(2). Grantee shall require and ensure that each of its subgrantees and contractors complies with these requirements. If Grantee is a subject employer, as defined in ORS 656.023, Grantee shall also obtain Employers' Liability insurance coverage with limits not less than \$500,000 each accident.

If Grantee is an employer subject to any other state's workers' compensation law, Grantee shall provide Workers' Compensation Insurance coverage for its employees as required by applicable workers' compensation laws including Employers' Liability Insurance coverage with limits not less than \$500,000 and shall require and ensure that each of its out-of-state subcontractors complies with these requirements.

As applicable, Grantee shall obtain coverage to discharge all responsibilities and liabilities that arise out of or relate to the Jones Act with limits of no less than \$5,000,000 and/or the Longshoremen's and Harbor Workers' Compensation Act.

AUTOMOBILE LIABILITY INSURANCE:

Grantee shall provide Automobile Liability Insurance covering Grantee’s business use including coverage for all owned, non-owned, or hired vehicles with a combined single limit of not less than \$1,000,000 for bodily injury and property damage. Use of personal Automobile Liability insurance coverage may be acceptable if evidence that the policy includes a business use endorsement is provided.

PROFESSIONAL LIABILITY:

Grantee shall provide Professional Liability Insurance covering any damages caused by an error, omission, or any negligent acts related to the activities to be conducted under this Grant by the Grantee and Grantee’s subgrantees, contractors, agents, officers, or employees in an amount not less than \$1,000,000 per claim and not less than \$2,000,000 annual aggregate limit.

If coverage is provided on a claims made basis, then either an extended reporting period of not less than 24 months shall be included in the Professional Liability insurance coverage, or the Grantee shall provide Continuous Claims Made coverage as stated below.

NETWORK SECURITY AND PRIVACY LIABILITY:

Grantee shall provide Network Security and Privacy Liability Insurance for the duration of this Grant and for the period of time in which Grantee (or its business associates, subgrantees, or contractor(s)) maintains, possesses, stores, or has access to Agency or client data, whichever is longer, with a combined single limit of not less than \$1,000,000 per claim or incident. This insurance must include coverage for third party claims and for losses, thefts, unauthorized disclosures, access or use of Agency or client data (which may include, but is not limited to, Personally Identifiable Information (“PII”), Payment Card Data, and Protected Health Information (“PHI”)) in any format, including coverage for accidental loss, theft, unauthorized disclosure access, or use of Agency data.

EXCESS/UMBRELLA INSURANCE:

A combination of primary and Excess/Umbrella Insurance may be used to meet the required limits of insurance. When used, all of the primary and Excess or Umbrella policies must provide all of the insurance coverages required herein, including, but not limited to, primary and non-contributory, additional insured, Self-Insured Retentions (SIRs), indemnity, and defense requirements. The Excess or Umbrella or policies must be provided on a true “following form” or broader coverage basis, with coverage at least as broad as provided on the underlying insurance. No insurance policies maintained by the Additional Insureds, whether primary or excess, and which also apply to a loss covered hereunder, must be called upon to contribute to a loss until the Grantee’s primary and excess liability policies are exhausted.

If Excess/Umbrella Insurance is used to meet the minimum insurance requirement, the Certificate of Insurance must include a list of all policies that fall under the Excess/Umbrella insurance.

ADDITIONAL INSURED:

All liability insurance, except for Workers' Compensation, Professional Liability, Directors and Officers Liability, and Network Security and Privacy Liability (if applicable), required under this Grant must include an Additional Insured endorsement specifying the State of Oregon, its officers, employees, and agents as Additional Insureds, but only with respect to Grantee's activities to be performed under this Grant. Coverage shall be primary and non-contributory with any other insurance and self-insurance.

Regarding Additional Insured status under the General Liability policy, Agency requires Additional Insured status with respect to liability arising out of ongoing operations and completed operations, but only with respect to Grantee's activities to be performed under this Grant. The Additional Insured endorsement with respect to liability arising out of Grantee's ongoing operations must be on, or at least as broad as, ISO Form CG 20 10 and the Additional Insured endorsement with respect to completed operations must be on, or at least as broad as, ISO form CG 20 37.

WAIVER OF SUBROGATION:

Grantee shall waive rights of subrogation which Grantee or any insurer of Grantee may acquire against the Agency or State of Oregon by virtue of the payment of any loss. Grantee shall obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not Agency has received a Waiver of Subrogation endorsement from the Grantee or the Grantee's insurer(s).

CONTINUOUS CLAIMS MADE COVERAGE:

If any of the required liability insurance is on a claims made basis and does not include an extended reporting period of at least 24 months, then Grantee shall maintain continuous claims made liability coverage, provided the effective date of the continuous claims made coverage is on or before the effective date of the Grant, for a minimum of 24 months following the later of:

- (i) Grantee's completion and Agency's acceptance of all activities required under the Grant, or
- (ii) Agency or Grantee termination of this Grant, or
- (iii) The expiration of all warranty periods provided under this Grant.

CERTIFICATE(S) AND PROOF OF INSURANCE:

Grantee shall provide to Agency Certificate(s) of Insurance for all required insurance before delivering any goods and performing any activities required under this Grant. If Excess/Umbrella Insurance is used to meet the minimum insurance requirement, the Certificate(s) of Insurance must include a list of all policies that fall under the Excess/Umbrella Insurance. As proof of insurance, Agency has the right to request copies of insurance policies and endorsements relating to the insurance requirements in this exhibit.

All insurance providers are subject to Agency acceptance. If requested by Agency, Grantee shall provide complete copies of insurance policies, endorsements, self-insurance documents, and related insurance documents to Agency's representatives responsible for verification of the insurance coverages required under this exhibit.
