Complete this form and submit it to the Clackamas County Surveyor's Office at surveyor@clackamas.us. This form must be completed before a field check will be performed and the plat is approved for recording.

Date Requested: _____

Subdivision/Condominium Name:

Type of Check:

- ☐ Boundary (Field Check)
- ☐ Complete (full or remaining Monumentation)

I, _____, certify that the monumentation for the above-referenced plat has been completed in accordance with ORS 92 or ORS 100. I further certify that all monuments shown on the plat as found or set have been exposed, flagged, and referenced with lath or stakes, except for monuments set in asphalt or concrete, as shown on the attached plat.

Note: County field crews will inspect monuments only if they have been exposed, flagged, and referenced with lath or stakes. If a subsequent site inspection is required because these conditions were not met, additional recheck fees will be assessed.

Signature of PLS

Upon receipt of a completed request, the Clackamas County Surveyor's Office will schedule a field check in accordance with staff availability and workload. Please allow up to 30 days for the field check to be completed.
