**EXECUTIVE SUMMARY:** The Behavioral Health Division (BHD) of the Health, Housing, and Human Services Department requests the approval of Amendment #01 to a revenue agreement with Trillium Community Health Plan, Inc. (Trillium) for the funding of certain behavioral health services. This Agreement provides the funds for Behavioral Health Mobile Crisis, Choice Care Coordination, Wraparound Care Coordination, Peer Services, and administrative support to ensure compliance with the Agreement.

As one of the region’s Coordinated Care Organizations (CCOs), Trillium is obligated under the terms of its contract with the Oregon Health Authority (OHA) to coordinate its services with local mental health and public health authorities in its service area. BHD assists Trillium in achieving its performance-based incentive metrics. The revenue received by BHD is based on the number of plan members and established service rates.

In 2025, Clackamas County averaged 9,614 Trillium Community Health Plan members, an increase of 1,096 members from 2024.

This Amendment #01, effective January 1 through March 31, 2026, adds \$134,465.35 for the additional months of service. The maximum agreement value is increased to \$990,604.65 for 27 months.

**RECOMMENDATION:** Staff respectfully requests that the Board of County Commissioners approve this Amendment (11767-01) and authorize Chair Roberts or his designee to sign on behalf of Clackamas County.
