CLACKAMAS COUNTY ELECTIONS
2026 MAR 19 AM 8:28:28

The City of Rivergrove is asking voters to consider a five-year local option levy to fund general city operations.

Rivergrove does not have a permanent property tax base. The City currently relies primarily on approximately \$37,000 per year in franchise fees and about \$10,000 in State of Oregon shared revenue to support operations. These revenues fund basic administrative and operational needs but are limited in scope.

If approved, the levy would authorize a property tax rate of \$0.50 per \$1,000 of assessed value for five years, beginning in fiscal year 2026–2027. Based on current assessed values, the levy is estimated to raise approximately \$63,000 annually. At this rate, a property with an assessed value of \$500,000 would pay approximately \$250 per year.

Revenue from the levy would be used for general city operations. This may include services such as planning, engineering, legal support, and other administrative functions necessary for compliance with state and local requirements and for day-to-day city operations.

The measure would provide an additional, temporary funding source to support the City's ability to carry out its responsibilities. The levy would expire after five years unless renewed by voters.

Approval of the measure may result in property taxes increasing more than three percent a year.
