EXECUTIVE SUMMARY: The Office of Economic Development, in collaboration with Public and Government Affairs (PGA), established a business spotlight video program in the Spring of 2025. The first series of videos features the FY24-25 Business Development Grant recipients. These Video Spotlights will be made public on the County website, incorporated into the County's video media, shared by the Commissioners during business and other meetings and utilized by the business for their own professional marketing.

The Office of Economic Development and PGA committed to delivering one video per month over a 10-to-12-month period beginning October 2, 2025. A shortened version of each video will be presented publicly at a Business Meeting. The fifth in the series is Locke Buildings.

Locke Buildings, located in Estacada, is a rapidly growing manufacturer of prefabricated building kits. Locke is a 2024 grant recipient that received \$26,000 for a capital project to acquire and customize a new delivery truck, allowing them to expand their distribution area and improve delivery efficiency.
