MEMORANDUM

TO: Clackamas County Board of County Commissioners (BCC)
FROM: Nancy Bush, County Operating Officer
RE: ARPA Funding – Reallocating Unused Funds
DATE: May 19, 2026

REQUEST: Approval to transfer all unused American Rescue Plan Act funds to the Fair Grounds Multipurpose Building Project.

BACKGROUND: Clackamas County received just over \$81 million in American Rescue Plan Act (ARPA) funds from the US Treasury starting in May 2021. The dollars are managed by US Treasury guidelines. In 2023, the US Treasury announced that all ARPA funds must be obligated, in contract or spent, by December 31, 2024.

Although all ARPA funds were fully obligated by the County, several projects are now projected to finish under budget and result in unspent balances. Under current US Treasury rules, any funds that become available after the December 2024 deadline may be reassigned only to ARPA projects that remain open in the Treasury Portal.

The only eligible open County project that can spend the funding is the Fairgrounds Multipurpose Building. Staff estimates \$602,783 may become available for reassignment, though the final amount may change as active projects are completed.

RECOMMENDATION: Staff recommends the Board approve transferring all unspent ARPA funds to the Fairgrounds Multipurpose Building Project.

Respectfully Submitted,

Nancy Bush, County Operating Officer
