Alert:

As stated in the FY 2026 CoC Program Competition NOFO:

- CoCs may reallocate YHDP projects from any Round to create new YHDP Replacement projects.
- If a CoC reallocates funding from a renewal project that was previously awarded DV Bonus funding, any new project created with such funding must be 100 percent dedicated to serving individuals and families who are fleeing or attempting to flee domestic violence, dating violence, sexual assault, and stalking and who qualify as homeless under paragraphs (1) or (4) of the definition of homeless at 24 CFR 578.3 or Section 103(b) of the McKinney-Vento Homeless Assistance Act.

2A. Reallocation - Grant(s) Eliminated

CoCs reallocating eligible CoC Renewal, DV Renewal or YHDP renewal project funds to create new project application(s) may do so by eliminating one or more expiring eligible projects.

YHDP Renewal Grants and DV Renewal Grants may only be reallocated to create new projects that serve the same populations/subpopulations as the projects the funding was reallocated from.

As HUD and local priorities shifted toward Transitional Housing (TH) and Supportive Services Only (SSO) projects, the current project recipient elected not to submit a renewal application or pursue a new application under a different component type. The CoC widely advertised the availability of the YHDP reallocation funding and solicited competitive applications for a new project that would better align with HUD priorities and identified local needs. 4th Dimension Recovery submitted a new YHDP TH project, which the CoC Steering Committee selected based on its alignment with HUD and local priorities.

This project was not separately notified that they were being reallocated as they chose not to resubmit. On August 10, 2026, the CoC issued its official notification of projects accepted, rejected, or reduced through the local competition[MG4.1][RS4.2]. This was made publicly available through the Clackamas County Website and email to the CoC list-serve.

Prior to starting the YHDP Replacement and YHDP Reallocation Project Listing, review the CoC Priority Listing Detailed Instructions available on HUD's website.

To upload all YHDP Replacement project and YHDP Reallocation project applications, submitted to this Project Listing, click the "Update List" button. This process may take a few minutes based upon the number of YHDP renewal projects submitted by project applicant(s) to your CoC in the e-snaps system.

You may update each of the projects simultaneously. To review a project on the YHDP Replacement and YHDP Reallocation Project Listing, click on the magnifying glass next to each project to view project details. To view the actual project application, click on the orange folder. If you identify errors in the project application(s), you can send the application back to the project applicant to make necessary changes by clicking the amend icon. It is your sole responsibility for ensuring all amended projects are resubmitted, approved and ranked (if applicable) or rejected on this project listing BEFORE submitting the CoC Priority Listing in e-snaps.

As stated in the FY 2026 CoC NOFO, YHDP Renewal and YHDP Replacement applications are competitive and must be ranked.

WARNING: If you amend project applications back to project applicants to make changes or corrections in e-snaps, you must approve the resubmitted project applications. If you do not approve the resubmitted project applications, they will not be included on your CoC's Priority Listings, which could result in your CoC losing funding. HUD lacks the authority to fund projects unless they are included on the Priority Listings, which informs HUD which projects your CoC is accepting.
