Re: Petition 26-WLWV-R-3

Dear Mr. Stevens,

Following a thorough review of the Prospective Petition – Recall (SEL 350) and the signature sheets (SEL 351 and SEL 349) submitted on Friday, February 20, 2026, the cover and signature sheets comply with petition requirements and are approved for circulation.

The required number of valid signatures is 15% of the votes cast for governor in the public officer's district during the last gubernatorial election at which a candidate for Governor was elected to a full term. During the November 2022 General Election, there were 29,284 votes cast for Governor in the West Linn-Wilsonville School District. Signatures are due no later than 5:00 p.m. on the 90<sup>th</sup> day after the prospective petition is filed.

The required number of valid signatures from the West Linn-Wilsonville School District for a recall of a public officer is 4,393 signatures. The signatures are due no later than 5:00 p.m. on Monday, May 11, 2026.

A date/time stamped template for the petition is attached. Note that the circulated petition must be printed two sided, that is, on a single sheet of paper as the template is formatted. You are encouraged to review the requirements and guidelines for producing and circulating recall cover and signature sheets in the Recall Manual available at [www.oregonvotes.gov](http://www.oregonvotes.gov).

Thank you,

Justin Larsen

## Local Recall Petition

SEL 353

rev 03/23  
OAR 165-014-0005

### Name of Public Officer to be Recalled

Kirsten Wyatt

### Title of Public Officer

 Include office and district.

WLWV School Board Member Position 3

**Statement** Reasons for demanding recall in 200 words or less. Any factual information provided must be true.

We, the undersigned registered voters of the West Linn–Wilsonville School District, are calling for the recall of the above-named school board member due to concerns about inadequate oversight of the district, insufficient protection of taxpayer funds, and a lack of transparency with the public.

Before the November 2025 school bond election, the district told voters that the bond would fund improvements at all schools. After voters approved the bond, district leadership moved forward with plans to close two schools. As a result, the approved bond is larger than necessary and will require residents to pay higher taxes than needed.

The district reported receiving enrollment data on November 4, 2025, that began discussions on school closures. However, district officials publicly discussed possible closures on October 14, 2025. This board member did not seek clarification or ensure accountability.

These actions placed the bond and a \$6 million state matching grant at risk. Major decisions were made without clear information about class sizes, transportation, staffing, or school capacity. This lack of oversight undermined public trust and warrants recall.

### Chief Petitioner

 Name, City and State.

William Hadley Stevens Jr, West Linn, OR
