EXECUTIVE SUMMARY: This amendment increases the funding authority for the County's ballot printing contract to ensure continued printing services throughout the remainder of the existing contract term. Since the contract was awarded, actual costs have exceeded original projections due to inflationary increases in printing related expenses.

The amendment does not change the scope of work, contract term, or service requirements. Ryder Election Services will continue providing ballot printing services under the existing agreement. Funding is available within the Clerk's adopted FY26-27 budget, and no additional County General Fund resources are required.

RECOMMENDATION: Clerk and staff recommend approval of this contract amendment.

Respectfully submitted,

Catherine McMullen
County Clerk
