

## Appointed Boards and Commissions (ABCs) Recommendation

The Water Environment Services Advisory Committee (WESAC) of Clackamas County, staffed by the Department of Water Environment Services, recruited for five seats and received six applications.

On October 29, 2025, the recruitment took place by press release, social media, county website, and various other local media. The recruitment closed on December 31, 2025.

Greg Geist (Director) and Greg DiLoreto (Chair of Advisory Committee) have reviewed the applications and together they formed the below recommendation.

The recommendation is as follows:

- (reappointment) Neil Schulman, environmental community representative, term to expire 12/31/2028
- (reappointment) Anthony Fields, ratepayer (Milwaukie) representative, term to expire 12/31/2028
- (new) Marchelle Paholsky, ratepayer (Happy Valley) representative, term to expire 12/31/2028
- (new) Jeff Dodd, business community representative, term to expire 12/31/2028

We did not receive a qualified applicant for the open development seat, and we will need to recruit again for that seat.

The following seats had an expiring term date of December 31, 2025. The position was recruited with a term that runs from January 1, 2026, through December 31, 2028 (three-year term):

- 1 representative from the environmental community
- 1 representative from the ratepayers (Milwaukie) community
- 1 representative from the ratepayers (Happy Valley) community
- 1 representative from the development community
- 1 representative from the business community

The term will start March 5, 2026 through December 31, 2028, if approved.

The recommendations were reviewed and The Board of County Commissioners could select other candidates or require further recruitment.

Please sign as appropriate indicating that a matrix and all applications are attached. The materials have been reviewed by the appropriate signing authority, and the packet is ready for consideration by the BCC.
