STATEMENT OF RIGHTS

1. Prior to the Hearing. You have the right to make the following requests:

- (A) You can request the opportunity to review public records and talk to County Staff about the violations or request a subpoena for that purpose if the County does not allow you to do so.
- (B) You can request that the Hearings Officer postpone the hearing for good cause by writing the Hearings Officer at least 7 calendar days prior to the scheduled hearing date.
- (C) You can request that the Hearings Officer decide the matter based exclusively on written materials from the parties or conduct the hearing by phone.

2. Procedure. The hearing will be governed by general rules of procedure designed to allow you to hear and confront the evidence against you, and for you to present evidence favorable to you. You are not required to present any evidence; the burden is on the County to establish by a preponderance of evidence that a violation exists or existed. Either party may, at their own expense, obtain an attorney, to represent that at the hearing. If you wish to be represented by an attorney, they need only notify the County and the Hearings Officer in writing of their intent to appear on your behalf. The County will present evidence first, and then you may question that evidence. You may then present your own evidence, if you wish, and the County may question your evidence. Testimony by witnesses is evidence. The Hearings Officer may inquire into any facts that are relevant to the hearing and may question parties or witnesses about the case. Evidence of a type commonly relied upon by reasonably prudent persons in the conduct of their serious affairs shall be admissible.

3. Record of Proceedings. An audio record will be made of the proceedings when a hearing is conducted. The audio record is available through the Clackamas County Code Enforcement Section and is available to you upon request.

4. Hearings Officer. The Hearings Officer is an independent contractor paid by the County to conduct hearings and render decisions. He/she is not a County employee. His/her function is to preside over the hearing, make a record of proceedings, consider admissible evidence and interpret and apply the law. After the hearing is closed, the Hearings Officer will enter written findings of fact, conclusions of law and any Order deemed proper. If a violation is proven, then the Order may include civil penalties, fines, administrative fees, or may require the respondent to take certain actions, or refrain from certain actions. An Order issued by the Hearings Officer may be a final order or a continuing order. The Hearings Officer Order is the final decision of the County, and may be appealed pursuant to Oregon Law. The Hearings Officer for Clackamas County is:

**Carl Cox
Attorney at Law
14725 NE 20th Street, #D-5
Bellevue, WA 98007**

5. Right to Recess. If, during the course of the hearing, the Respondent or the County requests a recess or postponement, or additional time to present crucial evidence, the Hearings Officer may allow a continuance of the hearing for good cause. The Respondent may also request that the proceedings be continued after the end of the hearing if the Respondent determines that additional evidence should be brought to the attention of the Hearings Officer.

6. Right to Appeal. The Final Order of the Hearings Officer shall set forth the right of the respondent to appeal any adverse Order. Appeal may be taken pursuant to Section 2.07.130 of the Clackamas County Hearing Officer Code, and Oregon Revised Statute 34.010-34.100. If appeal is taken, the appellant is responsible for all costs of appeal including preparation of transcript.

VIOLATION REF # 63756

Dear Property Owner:

Clackamas County is dedicated to keeping our community safe and healthy, and we truly value your role in helping us achieve this goal. Our County Code and Roadway Standards are designed to maintain a safe environment for everyone. Your cooperation in addressing the following issues is greatly appreciated and will make a positive difference for you and your neighbors.

Thank you in advance for your efforts and dedication to enhancing safety for everyone in the area.

This Violation Notice is being issued because conditions exist on your property that are currently in violation of ***Clackamas County Code, Section 7.03.090 and Clackamas County Roadway Standards, Section 240***. These code sections prohibit road impediments, inadequate intersection sight distance and inadequate vertical clearance over sidewalks and roadways.

A field inspection by county staff on October 17th 2025, indicated that the following conditions currently exist:

- **Violation:** Overgrown vegetation on your west property line next to SE Bluff Rd
- **Cause for violation:** This violation is creating a hazard for motorists and pedestrians by narrowing of the road

The following corrections are required to satisfy the referenced section of the County Code:

- **Trim vegetation:** In order to mitigate the hazard to drivers and pedestrians please cut all vegetation along the entire road frontage back 5 feet from the edge of the pavement/road to a height of at least 14 feet over the road surface

The following documentation is copied from the above referenced section of the Clackamas County Code which states:

7.03.090 Road Use Impediments – Prohibited Activity

A. Potential Hazards – No person shall allow any of the following things to exist on any portion of the road right-of-way that abuts property s/he owns or occupies, including sidewalks, if it could create a potential hazard in the opinion of the Road Official:

2. Rock;
3. Vegetation;
4. Structures;
5. Objects;
6. Debris;
7. Anything that may cause a potential hazard to the public in their use of a sidewalk, including, but not limited to:
 - a. Vertical displacements on the surface; b. Cracks or disrepair.

B. Visual Impediments to Safe Road Use – No person shall allow any of the following things to exist on or in the road right-of-way, including intersecting corners, that abuts property s/he owns or occupies, or on property that abuts a road, or in the airspace above a road, if the thing obstructs the view necessary for safe operation of motor vehicles upon the road, or if it causes potential danger to the public that uses the road:

1. Trees;
2. Shrubs;
3. Hedges;
4. Any vegetation;
5. Projecting overhanging limbs of vegetation;
6. Temporary or permanent structures;
7. Fences;
8. Berms;
9. Natural or man-made objects.

Please be advised that it is the responsibility of the property owner to trim, remove and/or maintain the subject vegetation to a condition that is in compliance with the *Clackamas County Code*. Upon notification to the property owner that a hazard exists, the owner is legally liable for damages resulting to any person or property.

Due to the nature of the situation, you are required to complete the aforementioned work within **14 days** from the date of this letter. Please contact me at 503-742-4780 or lsnowley@clackamas.us when the requested work has been completed so that I can inspect it.

Alternatively, I would be happy to meet with you on site to discuss this matter and indicate which vegetation will need to be trimmed.

I am hopeful that you will understand the nature of this issue and address this safety issue as soon as possible. If you have any questions or believe this letter to be sent in error, please feel free to contact me.

The referenced sections of the *Clackamas County Code* are available online
<http://www.clackamas.us/code/>
