EXECUTIVE SUMMARY: The Housing Authority of Clackamas County (HACC), a component unit within the Housing and Community Development Division of the Health, Housing and Human Services Department, requests approval of an Amendment #2 to contract #11166 with Impact NW (INW), for peer support & housing specialist services to participants of Housing Authority programs.

Programs include Public Housing and Housing Choice Vouchers, which has about 2,700 clients. Clients are selected from the wait list, which includes many families who are homeless and/or have barriers to housing. Pairing resident services and other supportive services for these families leads to greater housing stability.

The 1.5 FTE Peer Support specialist and 1 FTE housing specialist provided by Impact NW will continue to work in collaboration with HACC's Resident Services Team to support residents in their housing.

The Peer Support Specialists and Housing Specialist will support residents in housing with a focus on:

- Increasing housing stability and preventing evictions
- · Promoting resident economic stability, self-reliance, and quality of life
- Connecting vulnerable residents to additional support services
- Assisting residents in navigating complex systems
- Assisting Youth in advancement and self-sufficiency.
- Building community within our public housing properties
- Tracking interventions and outcomes
