EXECUTIVE SUMMARY: The Public Health Division of the Health, Housing & Human Services Department requests the approval of Amendment #8, which decreases the Revenue Intergovernmental Agreement with Oregon Health Authority (OHA) by (\$22,800.00) for the financing of public health services.

Beginning July 1, 2025, tuberculosis (TB) case and B-waiver payments transitioned from an individual invoice process to the standard program element funding structure. However, this change resulted in frequent award amendments, prompting OHA to return to the prior fee-for-service model by reducing program element awards to \$0 and revising contract language.

Once Local Public Health Authorities sign the amendment, quarterly invoice-based payments will resume. Effective July 1, 2026, payment for each diagnosed TB case will increase from \$3,500 to \$5,000, while B-waiver payments will remain at \$300 per waiver.

It is OHA's practice to issue amendments adjusting funding to Program Elements once the original Agreement is fully executed. Amendment #8 decreases funding to the following Program Element (PE):

- (\$22,800.00)- PE03 Tuberculosis Case Management

Per the OHA, Amendment #8 is effective on February 1, 2026, regardless of the date signed.

For Filing Use Only

RECOMMENDATION: Staff respectfully request that the Board of County Commissioners approve Amendment #8 to the Intergovernmental Agreement (12125) and authorize Chair Roberts or his designee to sign on behalf of Clackamas County.

Respectfully submitted,

Mary Rumbaugh
