It is comprised of two County Commissioners, the County Administrator, the County Counsel and three community members representing cumulative expertise in local government, finance, risk, information security, equity and process improvement.

Through oversight of the Office of County Internal Audit activities, the Committee's mission is to enhance and protect Clackamas County's organizational value by promoting risk-based and objective assurance, advice and insight. The Committee is authorized to:

- ✓ Evaluate management's response to audit recommendations and noted opportunities for improvement.

- ✓ Support transparent communication between the County Internal Auditor, County Administrator and Board of County Commissioners.
- ✓ Monitor Office of County Internal Audit activities by working with the County Internal Auditor.

Committee members do not direct staff, and County operational strategies and management decisions are not made during these meetings. The Office of County Internal Audit and the Internal Audit Oversight Committee encourages management to facilitate those discussions and activities in different venues - allowing County governing bodies to provide County leadership and direction. Internal Audit Oversight Committee meetings serve to raise awareness, transparency and accountability - to build public trust through good government.
