- g. Discussed Kratom in the news - Gina McMurry - “Why a drink called Feel Free, from Botanic Tonics, LLC has many saying they are trapped in addiction, debt and rehab”. This drink is sold at the Beaver Creek store, 2 ounces for \$8.99. 20,000 other stores sell it, so ensuring the community knows that Kratom, although legal, is not just a “harmless plant” and that people purchasing need to be of legal age and can become addicted or move into opioid use. Finally discussed the impact on those under 21 consuming Kratom.

5. Old Business

- a. Oregon City Library – Claire Kellogg - Cindy Andrews is on the OC Library board and is now assigned as the CPO liaison. She’ll be attending upcoming meetings. That’s the launching point of - what do WE want to see/use?
