EXECUTIVE SUMMARY: The Clackamas County Public Health Division (CCPHD) of the Health, Housing & Human Services Department requests approval of a revenue Intergovernmental Agreement with the City of Lake Oswego for reimbursement for access to the electronic patient care records (ePCRs) software.

Clackamas County's EMS Strategic Plan, approved by the Board of County Commissioners in December 2018, identifies equipment standardization as a prioritized need. The EMS Strategic Plan Taskforce has selected electronic patient care records (ePCRs) as the first item towards standardization. Standardization of this equipment has a significant benefit for patients by ensuring coordinated, high-quality care through interoperable technology. Amendment #1 provides next year's reimbursement.

This Amendment is effective January 1, 2026, through December 31, 2026.

RECOMMENDATION: Staff respectfully request that the Board of County Commissioners approve Amendment #1 to the Intergovernmental Agreement (10545) and authorize Chair Roberts or his designee to sign on behalf of Clackamas County.

Respectfully submitted,

Mary Rumbaugh
Director of Health, Housing, and Human Services
