Public Housing Repositioning

Drop-in hours: Relocation Counselors are available on-site at the Clackamas Heights community room for Clackamas Heights and Scattered Sites residents. Stop in with questions, concerns, or to get extra help looking for housing leads – no appointment needed!

Location: 13900 Gain St, Oregon City, OR 97045

Date/Time: Every Tuesday from 11 AM – 1 PM.

Clackamas Heights:

With construction starting at Clackamas Heights in September, time is running down for Clackamas Heights residents to move with their voucher. If you have not been issued a voucher and have not started looking for a new place to live yet, it is very important to connect with Relocation Counselor, Reid Warren (206-387-2466) k.reid.warren@gmail.com. Residents who have not engaged with the Relocation at this point are at risk of losing their housing.

Scattered Sites:

Have you connected with your relocation counselor Charity Joswick yet? If not, please reach out.

Hillside Park Phase 2:

The Section 18 disposition application was approved and relocation is expected to begin this summer.

Oregon City View Manor

We are working with HUD to determine when relocation can begin and will share updates as available. While we do not have a relocation timeline for OCVM yet, we want to remind residents that all OCVM residents who want to move to the Park Place Redevelopment once it is complete, will be given the option to do so. There is not a waiting list you need to join at this time, we will be in contact with you.

Hillside Park Construction

Building C is scheduled for completion at the end of November 2025, and Building B is scheduled for February 2026 completion. Initial lease-up activities for Building C will begin this summer.

This newsletter is going digital!

Starting this summer, we will be transitioning from printed newsletters to email-only versions.
