**EXECUTIVE SUMMARY:**

The owner of a parcel of land, tax lot nos. 23E06BA1400, 23E06BA1500, 23E06BA1600, 23E06BA1700, 23E06BA1900, 23E06BA 2000, 23E06BA2100 ("SUBJECT PROPERTIES"), petitioned this Board to annex into Clackamas County Service District No. 1 (the "District") in order to receive sanitary sewer and stormwater services. The Board's approval of this proposed annexation will result in a boundary change of the District's service area.

Currently, the SUBJECT PROPERTIES, as territory to be annexed, is seven tax lots in Happy Valley of a combined 5.62 acres with a current tax assessed value of \$1,430,233. They are at 17101, 17041, 16981, 16921, 16898, 16932, 16996 SE Tristin Ave, Happy Valley, OR 97086. The properties are improved with single family residences.

The District is already providing services in the areas surrounding. There is a sewer line in SE 169<sup>th</sup> Ave. adjacent to the properties for the SUBJECT PROPERTIES to connect to. Upon connection, the use of the onsite septic must be discontinued. Therefore, there is efficiency in the District providing services to the subject property.

For Filing Use Only

v.CCC-2025

If the Board approves this proposed annexation, the District will provide only sanitary sewer and stormwater services to the SUBJECT PROPERTIES.

The District endorsed the proposed annexation on September 26, 2025.

Under Oregon law, as the county's governing body, this Board is charged in deciding this proposed boundary change pursuant to ORS Chapters 198 and Metro Code 3.09. In determining whether to approve the annexation petition, the Board must consider the local comprehensive plan for the area and any service agreements with local governments as required by ORS 198.857 and also considered whether the annexation petition met the criteria laid out in Metro Code 3.09.

Staff Findings and Recommendations, dated December 15, 2025, addresses factors and criteria mandated in ORS 198 and Metro Code 3.09. The report makes the required analysis and findings and concludes that the proposed boundary change of the District complies with applicable statutory and Metro Code requirements. There is no cost to the County in the Board's approval of this proposed annexation.

**RECOMMENDATION:** Staff recommend approval of Boundary Change Proposal No. 2025-010 (CCSD1).

Respectfully submitted,

Jeffrey D. Munns  
Assistant County Counsel

## **B. PETITION UNDER ORS 198.857**

By application submitted to the DISTRICT, dated October 2, 2025, PETITIONER initiated a consent annexation petition under ORS 198.857.

The petition meets the requirement for initiation of annexation proceedings set forth in ORS 198.857(2) and Metro Code 3.09.040(A) (lists Metro's minimum requirements for petition). The petition was deemed complete on October 21, 2025.

The SUBJECT PROPERTIES are currently developed. The services to be provided by the DISTRICT will support existing development on the SUBJECT PROPERTIES.

## **C. ENDORSEMENTS BY INTERESTED PARTIES**

As further discussed below in this report, the SUBJECT PROPERTIES are located in Happy Valley and are eligible to be annexed to the DISTRICT for water, sanitary sewer, and stormwater services. Due to the topography, the SUBJECT PROPERTIES can be served by the DISTRICT for sewer services.

By letter dated September 26, 2025, the DISTRICT supports and endorses the proposed annexation. See, Attachment 1.

## **D. CITIZEN PARTICIPATION**

Notice of this hearing inviting testimony from interested parties was provided as required by statute and Metro Code.

Notice consisted of:

1. Posting notices near the SUBJECT PROPERTIES, at the Clackamas County Courthouse, and outside the Commissioner’s Hearing room at least 20 days prior to the hearing;
2. Publishing notice twice times in the Lake Oswego Review; and
3. Mailing notices to all affected local governments and adjacent property owners.

At the time this report was written, no comments were received.

## II. APPLICABLE CRITERIA

For a proposed boundary change of a special district through annexation, as the county’s governing body, the Board must review and approve the proposed annexation based on several factors and criteria established by state and local law.

### A. STATE STATUTE

Oregon Revised Statute Chapter 198 provides that, when determining whether to approve an annexation petition, the county board shall *“consider the local comprehensive plan for the area and any service agreement executed between a local government and the affected district.”* ORS 198.857(4).

### B. METRO CODE

For a proposed boundary change within the boundaries of Metro or within urban reserves designated by Metro, Metro code also specifies criteria that a reviewing entity must apply in reviewing and approving a boundary change.

First, Metro Code 3.09.050(B) requires a report, to be made available to the public, that addresses the following:

- “1. The extent to which urban services are available to serve the affected territory, including any extraterritorial extensions of service;*
- 2. Whether the proposed boundary change will result in the withdrawal of territory from the legal boundary of any necessary party<sup>1</sup>; and*
- 3. The proposed effective date of the boundary change.”*

Second, Metro code requires the review and approval of a proposed boundary change to be consistent with certain service agreements, land use plans, and service quality standards. To approve a boundary change, the reviewing entity (e.g., the Board in this case) must:

*“(1) Find that the change is consistent with expressly applicable provisions in:*

---

<sup>1</sup> A “necessary party” is another governmental entity which includes the same area or provides an urban service to the area.

- (A) *Any applicable urban service agreement adopted pursuant to ORS 195.205;*
  - (B) *Any applicable annexation plan adopted pursuant to ORS 195.205;*
  - (C) *Any applicable cooperative planning agreement adopted pursuant to ORS 195.020(2) between the affected entity and a necessary party;*
  - (D) *Any applicable public facility plan adopted pursuant to a statewide planning goal on public facilities and services;*
  - (E) *Any applicable comprehensive plan; and*
  - (F) *Any applicable concept plan.*
- (2) *Consider whether the boundary change would:*
- (A) *Promote the timely, orderly and economic provision of public facilities and services;*
  - (B) *Affect the quality and quantity of urban services; and*
  - (C) *Eliminate or avoid unnecessary duplication of facilities and services.”*

See, Metro Code 3.09.045(D) and 3.09.050(D).

Finally, Metro Code Section 3.09.090 prohibits the extension of any district “water or sewer service from inside a UGB to territory that lies outside the UGB.”

## **C. COMPREHENSIVE PLANING**

### **1. Regional Planning**

The law that requires Metro to adopt criteria for boundary changes specifically states that Metro shall “*\*\*\*\* ensure that a boundary change is in compliance with the Metro regional framework plan as defined in ORS 197.015 and cooperative agreements and urban service agreements adopted pursuant to ORS 195.*” ORS 268.354(2)(d). Metro regional framework plan is “*the regional framework plan required by the 1992 Metro Charter or its separate components.*” ORS 197.015.

### **2. County Planning**

The applicable comprehensive plan for areas in unincorporated Clackamas County is the Clackamas County Comprehensive Plan (the “Comp Plan”).

Chapter 7 of the Comp Plan discusses public facilities and services. It addresses, in part, the Oregon Land Use Goal 11 that requires planning for sanitary sewerage treatment, water, storm drainage and transportation, stating as follows: “*[a]dequate levels of those public facilities and services must be available before urban levels of development can be built in a manner consistent with the land use designations in this Plan.*” (Comp Plan p. 7-1).

An applicable public facilities goal in the Comp Plan is to “[r]equire adequate storm drainage, public sanitary sewer and public water service concurrent with development in areas that require these services.” (Comp Plan at p.7-6).

With respect to policies for sanitary sewer treatment, the Comp Plan specifies the following:

*“7.A.8 Prohibit new on-site sewage disposal systems within Urban Growth Boundaries except for:*

- 7.A.8.1 A lot of record outside of a sewage service district, legally recorded prior to January 31, 1980; or*
- 7.A.8.2 Parcels of ten acres or larger in Future Urban areas inside the Metro Urban Growth Boundary (UGB); or*
- 7.A.8.3 Outside the Metro UGB on lots that conform to the minimum lot size of the zone; or*
- 7.A.8.4 Parcels inside a sewage service district having unique topographic or other natural features that make sewer extension impractical as determined on a case by case basis by the sewer service provider.”*

(Comp Plan p.7-7)

### **III. ANALYSIS AND FINDINGS**

Collectively, review and approval criteria for a boundary change under state law and Metro Code generally fall into three categories: urban service and other facility service agreements, land use planning, and the quality and timing of the service resulted from the boundary change. Based on the application submitted by PETITIONER, and staff’s research, staff reaches the following analysis and findings.

#### **A. TERRITORY TO BE ANNEXED**

Staff reaches the following findings with respect to the territory to be annexed:

1. The SUBJECT PROPERTIES, as territory to be annexed, are in total 5.62 acres, tax lot nos. 23E06BA1400, 23E06BA1500, 23E06BA1600, 23E06BA1700, 23E06BA1900, 23E06BA2000, and 23E06BA2100, with a current tax assessed value of \$1,430,233.00.
2. The SUBJECT PROPERTIES are in Happy Valley, Clackamas County.
3. The SUBJECT PROPERTIES are within Metro's jurisdictional boundary and the regional UGB.
4. The SUBJECT PROPERTIES are currently located adjacent to SE 169<sup>th</sup> Ave. which contains a sewer line to serve the property.
5. The SUBJECT PROPERTIES are currently developed as a residential units.

6. The DISTRICT can provide sewer services to the SUBJECT PROPERTIES in a more efficient and cost-effective manner.
7. Accordingly, the PETITIONER is seeking sewer services from the DISTRICT. The DISTRICT has endorsed the proposed annexation into the DISTRICT.

## **B. URBAN AND OTHER FACILITY SERVICES**

As referenced in Section II of this report, state law and the Metro Code require a review for consistency with urban and other service agreements. (See, ORS 198.857(4) and 268.354(2)(d); Metro 3.09.050(B)(1), and 3.09.050(D)(1)(A)). ORS 195 requires agreements between providers of urban services to an area within a UGB that has a population of greater than 2,500 persons. Urban services are defined as: sanitary sewers, water, fire protection, parks, open space, recreation and streets, roads and mass transit. ORS 195.065(2)(b). These agreements specify which governmental entity will provide which service to an area in the long term. The counties are responsible for facilitating the creation of these agreements.

Staff finds that there are urban and other ORS 195.065 agreements applicable to this area of Clackamas County.

The SUBJECT PROPERTIES are in Happy Valley, Clackamas County. They currently have, or will be receiving, various services in the following manner:

1. Water. The SUBJECT PROPERTIES will be served by Sunrise Water Authority for water. An annexation petition 2025-011 (SWA) was filed concurrently.
2. Sewer. The SUBJECT PROPERTIES are currently seeking to annex to CCSD1 for this service.
3. Storm Drainage. The SUBJECT PROPERTIES are currently seeking to annex to the DISTRICT to receive these services.
4. Parks and Recreation. The SUBJECT PROPERTIES will be served by the City.
5. Fire. The SUBJECT PROPERTIES are served by Clackamas Fire District No. 1 for fire services.
6. Police. The SUBJECT PROPERTIES are served by the Clackamas County Sheriff for police services.

## **C. LAND USE PLANNING**

As referenced in Section II of this report, state law and the Metro Code require a review for consistency with various regional and local land use plans. The following analyzes

and reaches findings related to regional and local plans that may be applicable to the proposed annexation of the SUBJECT PROPERTIES into the DISTRICT.

### 1. Regional Plans

The SUBJECT PROPERTIES are in the City of Happy Valley, and inside Metro's jurisdictional boundary and the regional UGB. As such, a boundary change approval must be consistent with the applicable Metro regional framework plan. (See, ORS 268.354(2)(d)). Metro has adopted a Regional Framework Plan, and two regional functional plans--the Urban Growth Management Functional Plan (2023) and the Regional Transportation Plan (2012).

Staff has reviewed these plans and finds that these plans have no applicable standards and criteria for boundary changes. Therefore, the proposed boundary change by the DISTRICT through annexation of the SUBJECT PROPERTIES are consistent, or not in conflict, with any Metro regional plans.

### 2. Clackamas County Comp. Plan

The SUBJECT PROPERTIES are in Happy Valley, Clackamas County. Chapter 7 of the Comp Plan was reviewed. Staff finds that the DISTRICT's proposed provisioning of sewer services to the SUBJECT PROPERTY is consistent, or not in conflict, with Chapter 7 of the Comp Plan.

### 3. City Comprehensive Land Use Plan

Based on the information provided by the DISTRICT and PETITIONER, the proposed annexation is compatible with the City of Happy Valley's comprehensive land use plan.

### 4. Public Facility, Concept, and Annexation Plans and Cooperative Planning Agreements

Staff finds there are no facility, concept, or annexation plans applicable to the area.

## **D. QUALITY, QUANTITY, AND TIMING OF SERVICE**

Metro Code requires the Board to consider various factors that address the quality, quantity, and timing of the services being sought by the proposed annexation.

Staff finds that the proposed annexation of the SUBJECT PROPERTIES into the DISTRICT is consistent with the Metro's service quality standard under Section 3.09.045(D)(2), 3.09.050(B), and 3.09.090:

- Promote of the timely, orderly and economic provision of public facilities and services;
- Improve of the quality and quantity of urban services; and
- Eliminate or avoid unnecessary duplication of facilities and services.

- The extent to which urban services are available to serve the affected territory, including any extra territorial extensions of service;
- Whether the proposed boundary change will result in the withdrawal of the affected territory from the legal boundary of any necessary party;
- The proposed effective date of the boundary change; and
- No extension of service from inside a UGB to territory that lies outside the UGB.

The SUBJECT PROPERTIES are single-family residences. The DISTRICT is in a more advantageous technical position to provide sewer services to the SUBJECT PROPERTIES due to having a sewer line in the right-of-way along the southern boundary of the property in SE 169<sup>th</sup> Ave.

The SUBJECT PROPERTIES will plan to annex to the Sunrise Water Authority for water services. Therefore, there is no duplication in the provisioning of the requested services, nor would there be a withdrawal of the SUBJECT PROPERTIES from Sunrise Water Authority's jurisdiction.

Finally, because the SUBJECT PROPERTIES are inside the UGB, the proposed annexation of the SUBJECT PROPERTIES into the DISTRICT does not result in an extension of the DISTRICT's urban service from inside a UGB to territory that lies outside the UGB.

The boundary change will become effective on the date of Board's approval.

#### **IV. CONCLUSIONS**

Staff conclude that the proposed annexation complies with all applicable state statutes and Metro Code requirements. Staff recommends approval of Boundary Change No. 2025-010 (CCSD1) for the DISTRICT to provide sewer services to the SUBJECT PROPERTIES.

Respectfully Submitted,

Jeffrey D. Munns

Members of the Board:

### **ENDORSEMENT OF ANNEXATION OF TERRITORY TO CLACKAMAS COUNTY SERVICE DISTRICT NO. 1**

ORS 198.850 requires the governing body of CLACKAMAS COUNTY SERVICE DISTRICT NO. 1, (District) to endorse annexation proposals prior to a hearing by the Board of County Commissioners. In the interest of efficiency, the Board has delegated the authority and duties for endorsement of annexations of territory to the District to the Director of Water Environment Services.

I have reviewed the attached petition from property owners requesting the annexation of territory to CLACKAMAS COUNTY SERVICE DISTRICT NO. 1 and find the District has sufficient sanitary sewer collection and treatment system capacity to provide sanitary sewer service to the area proposed to be annexed. Service is subject to the construction of public sewer extensions as required by WES Rules and Regulations.

Therefore, by the authority granted to me by Order No. 99-329, I hereby endorse the annexation of all Tax Lots described on Exhibit "B" and shown as Exhibit "C" (attached) to CLACKAMAS COUNTY SERVICE DISTRICT NO. 1, as set forth on the attached petition.
